BUILDING OPPORTUNITIES FOR LIFE TODAY

Day of Discovery

Hosted by B.O.L.T., Tridel Corporation & George Brown College,
Centre for Construction & Engineering Technologies

TRIDEL
BUILT FOR LIFE

When: Thursday June 1, 2017 from 8:00 AM to 3:00 PM

Where: Starts and ends at George Brown College, Casa Loma Campus, 160 Kendall Ave, Toronto ON

Who: This experience is available to a limited number of young adults between the ages of 18 and 29, who are interested in learning more about a career in Construction including apprenticeship training and post-secondary educational opportunities **Please Note: there are limited opportunities available and registration is on a first come first serve basis. Please Note youth must be referred by an agency.**

Goal: The goal of the day is to provide participants with the unique opportunity to visit an active construction site, to tour a project under different stages of construction, to observe the trades at work and to participate in a hands on activity at the Centre for Construction and Engineering Technologies at George Brown College.

Agenda

- Participants meet at George Brown College, Casa Loma Campus at 8:00AM for registration.
- George Brown will organize a hands on construction related activity at the Casa Loma Campus after which time the participants will board a bus to travel to Tridel's Aqualina & Aquavista sites.
- Safety producers will be reviewed on-site before commencing the tours
- At the end of the day, participants will be bused to the Casa Loma Campus and will evaluate the day and have an opportunity to register for Job Shadowing.

What is provided?

- Construction boots (on loan) and a hard hat will be provided and **must** be worn on site
- Transportation to and from the construction site
- Lunch and refreshments

What Happens After the Day of Discovery?

At the end of the day, those interested in spending more time on a construction site are invited to apply for a two week Job Shadowing experience.

What is Job Shadowing?

- This is a two week experience on a Tridel construction site that typically takes place in the spring/summer months
- It provides an opportunity for participants to receive exposure to a variety of Construction Trades and Site Management
- Registration for this experience will take place at the end of the Day of Discovery
- An interview will be scheduled after Registration

Please note: there are limited opportunities available

How to Register for the Day of Discovery

Applicants must be referred through an agency. Applications and waivers will be available on-line mid-April. Workers are required to complete the application with the youth. The completed application and applicable waivers must be received on or before **May 19, 2017**.

TRIDEL'S AQUALINA & AQUAVISTA COMMUNITIES

Aqualina at Bayside is at the forefront as the first condominium residence in the Hines master planned Bayside Toronto Community. This vibrant community represents Waterfront Toronto's single largest revitalization endeavor along the city's inner harbour.

Day of Discovery

Aqualina Experience the best of both worlds from an east-facing suite in Aquavista at Bayside. Live alongside the gorgeous blue vistas of Lake Ontario, while overlooking Bayside's lush central Aitken Place Park. Stellar views, sumptuous suite finishes and indulgent building amenities are what make Aquavista Toronto's most desirable new waterfront address.

GEORGE BROWN COLLEGE CENTRE FOR CONSTRUCTION & ENGINEERING TECHNOLOGIES:

Offering a rich mix of apprenticeship training, certificates, diplomas and degrees, the programs offered by the Centre bring together a world of opportunities for young adults interested in a future in construction.
