

INDUSTRY PROFESSIONALS

## Together we can make a difference!

We need your continued assistance to inspire a new generation of trades people and industry professionals.

### YOU CAN HELP BY:

- Providing funds for scholarships & bursaries
- Providing Training and Apprenticeship Opportunities
- Providing Job Shadowing Experiences
- Providing Mentoring
- Providing Employment opportunities

Inspiring a new generation of tradespeople by providing access to **education, training and employment** in construction.

# CREATING AWARENESS

### SPEAK OUTS

An interactive information session organized in schools and in the community that are designed to inspire a new generation of tradespeople and industry professionals by creating awareness about the vast and diverse career opportunities available in the construction industry.

## OUR GOALS

- To create awareness about the diverse opportunities available in the construction industry.
- To support education through scholarships for youth interested in pursuing a career in construction
- To develop and foster community and industry partnerships to help further support the BOLT program and to maximize the participant's potential for success.

### DAY OF DISCOVERY

A full day event co-hosted by George Brown College, including a visit to a Tridel construction site where participants have an opportunity to tour a project at different stages of construction to observe and interact with the trades. Valuable information on different aspects of careers in construction is provided throughout the event.

### JOB SHADOWING

A two week job shadowing experience on a Tridel construction site where participants shadow many of the trades involved in the project. Limited opportunities available.

For more about our programs and initiatives and partner opportunities visit [www.boltonline.org](http://www.boltonline.org)

## SUPPORTING EDUCATION

BOLT raises funds to provide scholarships & bursaries for youth who wish to pursue training or an educational path that will lead to a career in construction industry.

If you are an industry professional or a trade, contact [bolt@tridel.com](mailto:bolt@tridel.com) and find out how you can get involved!

Find out more about BOLT online at [www.boltonline.org](http://www.boltonline.org)

## DEVELOPING COMMUNITY & INDUSTRY PARTNERSHIPS

BOLT supports programs that offer skilled training opportunities leading to a career in the trades. BOLT's industry partners provide training, job placement, and mentoring to assist youth in realizing their goal of a career in construction. Our Community partners offer the required supports to facilitate their success.
