

# We're Looking Forward to Seeing You At

## The Day of Discovery

### DAY OF DISCOVERY

Tridel and George Brown College are pleased to invite you to a fun, interactive and educational Day of Discovery where you will be able to experience first-hand the excitement of a high-rise residential community under-construction. Tridel, is Canada's leader in condominium development. You will also explore the world of learning opportunities open to you at George Brown College one of Canada's largest, most diversified and highly respected colleges. This opportunity is available to a limited number of young adults between the ages of 18 and 29 who are interested in a career in construction including; apprenticeship training and post-secondary educational

### RAIN OR SHINE

The Day of Discovery event will proceed, rain or shine. Participants are requested to bring appropriate clothing in the event of poor weather conditions.

### GET READY TO GET A LITTLE DIRTY

Please remember that you will be touring a construction site. Wear clothes that are comfortable and can take some wear and tear. T-Shirts or long sleeve shirts, long pants and thick socks are mandatory.

### TRAVEL LIGHT

You will be covering a lot of ground and there can be safety issues related to what you are wearing or carrying. There will be no place to store purses or other personal belongings. So remember to travel light.

### TRIDEL'S 10 YORK COMMUNITY

At the intersection of everything the downtown scene has to offer, steps from the waterfront, Ten York is rising above it all. This iconic condominium residence will soar 735 feet approximately 69 stories, and will change the Toronto skyline forever. We will be travelling to the higher floors on a hoist so **individuals who fear heights are advised not**

### SAFETY FIRST

As part of your registration for the Day of Discovery, you will be provided with a hard hat and a loan of safety shoes for the community tour. We must be informed of any special considerations that relate to your ability to enjoy the day (i.e. **food allergies, dietary restrictions, elevator- hoist concerns, medical condition, etc.**)
